Sean - Chris Fuentes is a longtime Hollywood constituent who is in need of housing. See the thread below. Could you give him a call?

He is NOT homeless but says he is in danger of becoming homeless. Not sure what resources could be available to someone in that situation. CC Marisol and Juan.... Juan, do you think one of your contacts at PATH might be able to assist, or point in a more appropriate direction?

Thanks,

Thanks Dan,

I am not familiar with the system so sure I would be open to working with a case worker.

I am keen on getting into the Montecito because it is in my neighborhood and familiar.

Thanks for your quick response.

With Gratitude,

Thanks Dan, it's ironic how a reversal of fortune can hit you like dynamite.

I went to the premiere of a picture I worked on called "The Velvet Buzzsaw" tonight at the Egyptian,  
Saw colleagues I've worked with over the years - bittersweet.

The problem with getting on the waiting list for the Montecito is that it seems they want you to be living homeless - destitute before you can make the list.

My doctor put me on disability but I'm hoping to find my way back on my feet, I love making movies and have to believe things will get better.

Happy New Year Dan,

I imagine you may be  
measuring for drapes up in  
Sacramento (?) but if you're  
still here I need your help.

2018 was a bad year for me,  
I am in desperate need of  
help;

- my husband Paul relapsed and was arrested,
- we are divorcing
- I was T-Boned in Hancock Park on August 16th.
- I depleted my savings and went into debt to secure legal representation/bail for Paul.
- I am slated to be evicted from my apartment at the Fontenoy.
- I have not worked since November.
- Soon to be homeless but not yet qualified for GR

I applied a year or two ago at the Montecito apartments which have Section 8 housing, I was on a waiting list to get on a waiting list - do you have any way to help me get into the Montecito?

Please let me know if there is any way you can help me.

Sorry to tell you all my troubles but I am in desperate need of an advocate, I hope I can eventually get back to work but my health has not been great since the accident.

Respectfully,

Chris

Jesus with PATH would be the best person to reach out too.

He would go through the similar program as with the Rodriguez family.
